JOURNAL OF BIOMEDICAL MATERIALS RESEARCH

Editor-in-Chief:
James M. Anderson
University Hospitals of Cleveland
The Institute of Pathology of Case Western Reserve University
2074 Abington Road
Cleveland, OH 44106-2622

ASSISTANT EDITORS

John Brunski
Nobuo Nakabayashi
Robert M. Pilliar
John A. M. Ramshaw
Buddy Ratner
June Wilson-Hench

Editorial Board:

Toshihiro Akaike
Luigi Ambrosio
Kenneth J. Anusavice
Robert E. Baier
Sumner A. Barenberg
Lars M. Bjursten
Barbara D. Boyan
John L. Brash
Stanley A. Brown
Patrick T. Cahalan
Attar S. Chawla

Bonnie Berry

Editorial Production, John Wiley:
Michael J. Evans

Journal of Biomedical Materials Research (ISSN: 0021–9304) Volumes 39–43 are published monthly except semi-monthly in January, February, March, April, July, August, October, and November 1998 by John Wiley & Sons, Inc.

Copyright © 1998 John Wiley & Sons, Inc. All rights reserved. No part of this publication may be reproduced in any form or by any means, except as permitted under Sections 107 or 108 of the United States Copyright Act, without either the prior written permission of the publisher, or authorization through the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, (508) 750-8400, fax (508) 750-4470. Periodicals postage paid at New York, NY, and at additional mailing offices. Applied Biomaterials (Vol. 43, numbers 1–4) will be sent via Standard mail.

The code and copyright notice appearing at the bottom of the first part of an article in this journal indicate the copyright owner's consent that copies of the article may be made for personal or internal use, or for the personal use of specific clients, on the condition that the copier pat for copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Such permission requests and other permission inquiries should be addressed to the Permissions Dept.

SUBSCRIPTION PRICE: (volumes 39–43, 1998): $2,995.00 in the U.S., $3,195.00 in Canada and Mexico, $3,345.00 outside North America. All subscriptions outside US will be sent by air. Payment must be made in US dollars drawn on a US bank. Claims for undelivered copies will be accepted only after the following issue has been received. Please enclose a copy of the mailing label. Missing copies will be supplied when losses have been sustained in transit andwhere reserve stock permits. Please allow four weeks for processing a change of address. For subscription inquiries, please call (212) 850-6645 or e-mail: SUBINFO@wiley.com.

POSTMASTER: Send address changes to *Journal of Biomedical Materials Research*, Caroline Rothaug, Director, Subscription Fulfillment and Distribution, John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158.

ADVERTISING SALES: Advertising inquiries should be addressed to: Rosealee Lee, ARDEL, Inc., 6518 Walker Street, Suite 150, Minneapolis, MN 55426. Telephone (612) 927-8108. Fax (612) 927-8127.

REPRINTS: Reprint sales and inquiries should be directed to the customer service department, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158. Tel: 212-850-8776.

OTHER CORRESPONDENCE: Address all other correspondence to: *Journal of Biomedical Materials Research*, Publisher, Professional, Reference, and Trade Group, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158.

MANUSCRIPTS and correspondence concerning manuscripts under review should be sent to the Editor. *Information for Contributors* appears in the first and last issue of each volume. The contents of this journal are indexed in the following: *BIOSIS, Current Contents/Life Sciences, Engineering Index, Excerpta Medica, Index Medicus, Reference Update, Research Alert* (*ISI*), *Science Citation Index* (*ISI*), *SCISEARCH Database* (*ISI*), and *Biomedical Engineering Citation Index* (*BECI*).

This paper meets the requirements of ANSI/NISO #Z39.48-1992 (Permanence of Paper). ♾
